GILLIAN SETTLES IN!

Hello everyone! In the last issue you heard that Tealing Development Trust obtained funding for a Community Coordinator post for the next 12 months - and that's me, Gillian Barclay. I started at the beginning of August and it has been a whirlwind since then! I have got to meet so many local people, many of them being members of the Trust, as well as Tealing Community Council and Tealing Hall charity and I look forward to working with everyone. One of my first tasks was to put together the autumn programme for the Tealing for All (TFA) Wednesday afternoon group- see the programme on the back page.

I also helped facilitate the community planning day at Friockheim Hub for the partner organisations and attended the brilliant Summer BBQ in the hall - the burgers were fantastic and the weather was kind. It was good fun organising the summer outing to Brechin & Arbroath for the Wed afternoon group and again, a great time was had by all!

Feelers are now being put out for volunteers for a community garden and to brighten Tealing up with planters - expect to see more about that on Facebook in the coming weeks. Overall, during my first month you have all been so welcoming. Tealing really does seem like a brilliant place to live. If you have any comments or suggestions, please get in touch at gillian@otbds.org I look forward to hearing from you! Thanks, Gillian

TEALING COMMUNITY COUNCIL IS ON FACEBOOK

Thank you to everyone so far who has become a member of the Tealing Community Council Facebook page – we now have 40 members. This is where you can access the minutes, find out about meeting dates and message us with any issues that you would like us to raise with Angus Council. The FB account name is Tealing CC and the group's name is Tealing Community Council.

TCC – NEW MEMBERS NEEDED!

TCC currently has 5 community councillors, but we can have up to 8. If you would like to represent Tealing by becoming a community councillor, please either email us at secretary@tealingvillage.org leave a message on the Facebook page or come along to the AGM on Wednesday 11th October.

SEAGREEN COMMUNITY BENEFIT FUND

Please remember that TCC has funding from Seagreen to support community projects and we would encourage anyone with a good idea to complete an application form. This can be requested by emailing secretary@tealingvillage.org or is available via the Tealing Community Council Facebook page. The latest applications that have been approved were submitted by Tealing Hall SCIO and they were to cover the cost of the bus used at Hogmanay and pay for blinds to be fitted in Tealing Hall.

LOCAL BUS SERVICE

We were hoping that we would have been able to update the community with the results of the bus service consultation and be able to announce a date for a public meeting – unfortunately Angus Council are not at the stage for this to happen. However, we've been assured again that the current bus service 139 will remain in place until an alternative service is arranged.

TCC MEETINGS

Meetings are held bi-monthly on a Wednesday evening at 6.30pm in Tealing Hall (rear hall), Inveraldie, Tealing to which all residents are most welcome to attend. The next meeting (which is also our AGM) is on Wednesday 11th October.

TRUST MEMBERSHIP BOOST

Tealing Development Trust (TDT) set up shop at the summer barbecue with the new display banners, with some of the directors present to explain the benefits for residents of becoming voting members. As a result, 28 new members were recruited and membership now stands at 102, which is hugely encouraging! Many thanks to everyone who stopped for a chat and showed their support. If you've not already done so, please join online today at www.tealingvillage.org

TEALING FOR ALL SUMMER VILLAGE BBQ

It was great to see the Tealing Community come together to support this event on 19 August. Thanks to the fantastic team of volunteers who helped on the day setting up, cooking the burgers, serving drinks at the bar, keeping the teas and coffees coming in the busy indoor cafe and manning the stalls. Special thanks also to our local business sponsors. Your generosity enables us to put on these community events and makes all the difference.
