BUDDING PLAYERS!

It was great fun in January welcoming children from the school for a behind-the-scenes tour of the hall. They were especially excited to get up on the stage and to imagine what it would be like to perform there! We hope it's just the start of more joint working with our wonderful wee school. The hall has such potential as a space for bringing different age groups together more to enjoy community entertainment and activities.

JOIN A THRIVING TEAM

Do you have awesome organisational skills that could be put to good use for the benefit of the community? Do you like being at the heart of what's going on and making a difference? Are you a team player with around two hours weekly to spare?

Openings are coming up for volunteer (expenses paid) secretarial roles with our two local charities – Tealing Development Trust and Tealing Hall SCIO and we'd love to hear from you. Please use the contact page at www.tealingleading.org to express interest.

REMEMBERING LYNNE

We were saddened to learn that well-known local resident, Lynne Taylor, passed away in January after becoming ill early last year. Lynne was an enthusiastic founding member of Tealing Development Trust (TDT) when it was just a steering group back in 2022 and always brought energy, warmth, support, good ideas and lots of common sense to every challenge the group faced. Over many years, she also regularly rolled up her sleeves to help out at community events, whether it was cooking at the summer barbecue or creating props for the Christmas Fayre, and did it all with a warm smile and a cheery greeting for everyone. She was so good natured, kind and fun to be with - nothing was too much trouble. We thank Lynne for always being such a champion for our small community. We will always remember her with fondness and send our condolences to Ian, Shealene and their family and friends.

DOMESTIC CLOSE CIRCUIT TV

Police Scotland are getting several enquiries regarding the useage and privacy rules around using domestic CCTV on your property – this link assists those considering it as a home security option.

Printed copies of Police Scotland CCTV guidance are also available and can be requested from your community police officer at the email address below. January was quieter and then there was a fun Race Night organised by the STIG Campaign on 13 Feb and an Evening of Mediumship with Evelyn Williamson and Wendy Burnett on 27 Feb.

The Events Group of local volunteers are working on ideas for this year including -

Summer Fayre on Saturday 15th August

NO LONGER CRACKING UP!

The cracked paving stones at the hall have been expertly repaired - big thanks to locals Colin Paton and Steven Sangster for making it happen.

SCHOOL NEWS

OUTING TO TEALING HALL

The Community Pupil Leadership Group really enjoyed a visit to the Tealing Hall in Inveraldie in January. A huge thank you to the local volunteers (Gloria, Sandra and Diane) who met them, answered all their cheery questions and showed them around. It was also great to pop in to the book shed and add some more titles for any local keen readers. One of the highlights was playing running games on the big hall floor – so much space and great fun! Pupils would absolutely love there to be a regular club for children at the hall. You never know boys and girls!

MATILDA – HERE WE COME!

Primary 3-7 pupils at Strathmartine and Tealing Primary Schools are getting all dressed up and heading to see 'Matilda' in Edinburgh in March. We're very excited! They have been learning some of the songs and reading the novel together in class.

APRIL COMMUNITY CAFÉ – ALL WELCOME!

On Friday 3rd April at 2pm we are having a fundraising 'Easter Bunny Drive'. Please do come along. Any donation of prizes is very welcome too.
